

## **CATALOG DEADLINE DATES** **FOR PRINTED 2010-11 CATALOG**

All revised and new courses (**GE and non-GE**) must be entered in ECMS. Meeting the deadline date **MEANS** that your course is in ECMS **and** all of your forms are completed and have the necessary signatures required, and have been submitted to the Curriculum Office on-time. Courses or certificates/degrees requests submitted after the deadline date will be included in the following year's catalog. Failure to take action on a course or certificate/degree that is due for a 5-year revision will result in the course or certificate/degree being deleted from the 2010-11 catalog.
